

EEO Utilization Report

Organization Information

Name: Butler County Prosecutor

City: Hamilton

State: OH

Zip: 45011

Type: County Attorney General or Prosecutor's Office

Step 1: Introductory Information

Policy Statement:

All employees and applicants for employment will be recruited, hired, promoted transferred, demoted, laid off, terminated, suspended, disciplined, evaluated, compensated, and offered other terms and conditions of employment without discrimination on the basis of race, color, sex, religion, national origin, age, or disability, in accordance with the Civil Rights Act of 1964, the Age Discrimination in Employment Act, and the Americans with Disabilities Act, as well as similar Ohio laws.

The Prosecuting Attorneys Office takes part in an Equal Employment Opportunity Program, as outlined in Section 42.304 of the Department of Justice Rules. There are several focus points to the EEOP, all in an attempt to achieve fair and impartial employment and recruitment. The Prosecuting Attorneys Office is committed to a diverse work force reflecting the diversity of the community it serves. Accordingly, the Prosecuting Attorneys Office is committed to attracting and retaining qualified employees from groups that have traditionally been under-represented or under-utilized in the work force, including women, racial and ethnic minorities, and persons with disabilities. As an employee you are encouraged to notify any qualified person of any open job position so as to promote diversity and opportunity to those who might not be aware of an open position for which they may be qualified and properly considered.

The Prosecuting Attorney is committed to securing equal employment opportunity, including dissemination of job information and recruiting advertisements to organizations, publications, and community centers serving all genders, religions, racial and ethnic minorities, and persons with disabilities; participation in targeted job fairs; and consistent, public announcement of all available job opportunities.

Step 4b: Narrative of Interpretation

Diversity in Butler County is nearly non-existent. The under representations that I see are white male Administrative Support showing a difference of -30%, white female Professionals showing a difference of -11%, and white female Officers showing a difference of -21%.

Another amount to highlight is the Officials/Administrators with a white female shortage of 35% however that number is skewed since we only have one official.

Step 5: Objectives and Steps

1. Expand Employment Advertising

- a. 2019 was the first time we used a paid internet service, "LinedIn" to advertise employment opportunities. Our plan is to continue this trend.

Step 6: Internal Dissemination

Display a copy of the EEO Utilization Report in a conspicuous place located in a common area.

Step 7: External Dissemination

Display a copy of the EEO Utilization Report on the Butler County Prosecutor's website.

I understand the regulatory obligation under 28 C.F.R. ~ 42.301-.308 to collect and maintain extensive employment data by race, national origin, and sex, even though our organization may not use all of this data in completing the EEO Utilization Report.

I have reviewed the foregoing EEO Utilization Report and certify the accuracy of the reported workforce data and our organization's employment policies.
